

South Central Walk To Emmaus Application

The Walk to Emmaus is a three-day experience of renewal, learning and sharing in the atmosphere of a Christian community. It is a different experience for each individual. It is not designed for the solution of deep-seated problems but to help mature people work toward a Christian way of life with community support. Husbands and wives are encouraged to attend in consecutive weekends (when possible). Each person must submit a separate application and married couples are requested to turn in both applications at the same time.
